Advisor of the seller.

An MBI candidate has acquired a stake in Soft-Naert.

Soft-Naert is an ICT company based in Izegem that develops on the one hand ERP applications and on the other hand customized software. The application "E-Meubel" is one of their ERP solutions and is targeted to the furniture retail stores. The company also takes care of the integration and training.

By joining the company, Patricia Vandelanotte strengthens the team with her large ICT experience and her extensive network.
